

Dear parent/guardian,

Thank you for enrolling your student in the Beyond the Bell after school program! We are excited to have your student join us for academic and social growth! This letter is coming to you because your child is only enrolled two days a week. We have looked over the data for your student and believe that your student would benefit greatly from the reading assistance program held during the Beyond the Bell day. We would love to have your student join us for this portion of the program, however your student is currently only enrolled twice a week. This is not enough time for the reading program to be successful. We would like to ask to increase your student's enrollment by one day to take advantage of this one on one peer mentoring targeting reading. If you would like to take advantage of this opportunity, please fill out and return the attached form to Mr. McVay by Friday October 30th. Thank you for your time!

Mr. McVay
